SENIORI CONECTAȚI

A programme for inclusion, digital education and social connection among older people
Programme developed by Ciury's Services SRL

PRIVACY NOTICE ON THE PROCESSING OF PERSONAL DATA

This notice informs you, in accordance with Regulation (EU) 2016/679 (GDPR), how your personal data are processed within the “Seniori Conectați” programme — for people who join the WhatsApp group “Comunitatea Seniori Conectați” (the Seniori Conectați Community) or who support or volunteer for the programme in any other way.

1. Data controller

Ciury's Services SRL, Romania, represented by Adrian Ciurariu. Once registered, the “Seniori Conectați” Association will become a joint controller for the activities carried out through it. Contact: ciury.ro@gmail.com, phone/WhatsApp +40 775 357 875.

2. What data we process

Your phone number (by joining the WhatsApp group), the user name displayed in WhatsApp, if you use one, and your town or locality — only if you choose to share it, which is optional. We do not request or process sensitive data (health data, banking details, identity documents).

3. Purpose of processing

Coordinating support and volunteering activities for the “Seniori Conectați” programme: organisational communication, information about the programme's stages and the planning of local activities.

4. Legal basis

Your consent (Article 6(1)(a) GDPR), expressed by voluntarily joining the group. You may withdraw your consent at any time by leaving the group or by sending a request to the contact address, without affecting the lawfulness of processing carried out before the withdrawal.

5. Who has access to your data

Your phone number is automatically visible to the other members of the WhatsApp group — this is a technical feature of the application, not our decision. The Ciury's Services SRL / “Seniori Conectați” Association team has access to the data needed for coordination. WhatsApp is operated by Meta Platforms Ireland Limited, which may also process data outside the European Economic Area under Meta's own standard contractual clauses — we do not transfer your data to any other third parties.

6. Retention period

For as long as you take part in the group. When you leave the group, or at your request, we delete the data we hold separately from the WhatsApp application (for example, internal coordination records) within 30 days at most.

7. Your rights

You have the right of access, rectification, erasure, restriction of processing, objection and data portability, as well as the right to withdraw your consent at any time. To exercise these rights, write to us at ciury.ro@gmail.com.

8. Right to lodge a complaint

If you consider that the processing of your data breaches the law, you have the right to lodge a complaint with the Romanian National Supervisory Authority for Personal Data Processing (ANSPDCP) — www.dataprotection.ro — or with the data protection authority in your own EU country of residence.

9. Voluntary nature of the data

Providing your data is voluntary. Not joining the group, or not sharing your locality, does not prevent you from benefiting from the “Seniori Conectați” programme as an older learner, or from supporting it in other ways, such as sharing the programme's public materials.

We learn together, step by step.

WE WILL ALL BE SENIORS ONE DAY.
