

## BECOME A SUPPORTER OF "SENIORI CONECTAȚI"

Dear Sir or Madam,

In Romania, hundreds of thousands of older people now have a smartphone, but no one to explain patiently how to use it to stay close to their family, informed and safe. We created "Seniori Conectați" for them: a free programme designed especially for older adults, with simple lessons explained step by step.

To reach places where news travels slowly - families, local communities and online groups - we need people like you. We are not asking you to devote working time or assigning you tasks. We simply ask you to pass on information that can make a real difference to an older person's everyday life.

### HOW YOU CAN SUPPORT US

- Share the programme's official materials on social media and in the groups you belong to.
- Introduce the programme to people in your community who may need it: a parent, a neighbour or a grandparent.
- Recommend the programme to institutions, organisations or individuals interested in a partnership.

This support is freely offered, with no obligations, deadlines or payment. It does not establish an employment relationship, a service contract or any form of commercial collaboration: only the goodwill to help make a worthwhile initiative known.

For those who wish to help older people directly through face-to-face teaching or assistance with using a phone, we are preparing the legal framework through the "Seniori Conectați" Association, which is being established. Participation will be based on a volunteering agreement, in accordance with Romanian Law No. 78/2014.

We invite you to open WhatsApp and join the "Comunitatea Seniori Conectați" group with the message "I would like to support Seniori Conectați". All the necessary information will be announced there and on [www.senioriconectati.ro](http://www.senioriconectati.ro). We will let you know as soon as registration opens.

We undertake to comply with Regulation (EU) 2016/679 (GDPR) on the protection of personal data. Providing your locality is optional and helps guide local activities; we do not ask for your full name in the group. Please note: joining the WhatsApp group makes your phone number visible to other group members. This is a feature of WhatsApp, not an additional collection of data by us.

Full details of the data processed, the purposes, retention periods and your rights are set out in the Privacy Notice, available on [senioriconectati.ro](http://senioriconectati.ro) and on request at [ciury.ro@gmail.com](mailto:ciury.ro@gmail.com). To exercise your rights (access, rectification, erasure, objection or withdrawal of consent), or to make a complaint, you may contact us at [ciury.ro@gmail.com](mailto:ciury.ro@gmail.com) or the Romanian National Supervisory Authority for Personal Data Processing (ANSPDCP, [www.dataprotection.ro](http://www.dataprotection.ro)).

**Join us in helping older people become more independent, better informed, better protected and more connected with their family and community.**

*We learn together, step by step.*  
**WE WILL BE SENIORS TOO.**

Thank you for your support.  
Yours faithfully,

**Adrian Ciurariu (Ciury)**
